—IN MEMORIAM—

JOHN DAVID FOGG
1891 - 1981

John Fogg was born in Hampton Falls on August 9, 1891 and although he spent his last years residing in Seabrook he was never thought of as anything but a life-long and valued resident of Hampton Falls. His dedication to the town was apparent in his interest in it. He served the town as a Selectman from 1926 to 1939. In 1973 he donated 4 acres of land to the Fire Department which he cleared himself although he had previously suffered a broken hip and was then getting around with the aid of a walker. The land was designated to be used for the enjoyment of residents of Hampton Falls and Seabrook as a recreational and picnic area. He was a trustee of the Dearborn Academy Scholarship Fund which each year offers continuing education scholarships to high school graduates from Hampton Falls and Seabrook.

John had a deep and lasting affection for his native habitat and this was evident in the many hours he spent writing of the history of farming on the salt marshes. The book upon its publication will act as an enduring remembrance of John and his contribution to our lives.

HAMPTON FALLS TOWN MEETING March 10, 1981

The 1981 Hampton Falls Town Meeting was opened by Moderator Richard Bohm at 10:00 a.m. The salute to the flag was given by those assembled. Following the salute the Moderator read the warrant. While the warrant was being read the Town Clerk broke the seal on the ballots and they were counted by the Selectmen. Mr. Bohm exhibited the ballot boxes and they were found to be empty. He then declared the polls open. Frank Ferreira made a motion that the business meeting be postponed until Friday, March 13 at 7:00 p.m. at the Lincoln Akerman School. Seconded by Betty Merrill. The motion passed.

At 8:00 p.m. the Moderator declared the polls closed. Of the 892 on the checklist it was determined that 233 had voted with 3 persons voting by absentee ballot. The ballots were then counted with the following results:

Article 3 - Zoning Article Yes 194 No 37

Following the tabulation of the vote the ballots were sealed by the Town Clerk.

Harrison Biggi moved that the meeting be adjourned until Friday, March 13, at 7:00 p.m. at the Lincoln Akerman School. Seconded by William Marston. Passed. The meeting closed at 9:25 p.m.

**HAMPTON FALLS TOWN MEETING
March 13, 1981**

The adjourned session of the 1981 Hampton Falls Town Meeting was opened by Moderator Richard Bohm at 7:00 p.m. The salute to the flag was given by those assembled. The report of the election results was given by the Moderator and he declared the officers elected. Report of the zoning article was given also and the article was declared to have passed.

The Moderator then made the following rules:

1. Once an article taken up in the budget or in the warrant is finished, no further action may be taken on it with the exception of one reconsideration in case of error or misunderstanding.

2. There will be a limit of 2 amendments to any article or any motion or part of a specific article.

3. Any lengthy motion shall be submitted to the Moderator in writing.

4. The chair will recognize first the sponsor of any article or item in the warrant first.

A notice was read by the Moderator concerning a meeting at the Town Hall on March 26 dealing with the Coastal Zone Management Final Draft Legislation.

Since Article 4 dealing with the new wage scale for town employees would affect the budget which comes under Article 2 it was determined by the Moderator to act upon Article 4 first.

Article 4 - Wage Scale

Jerome Healey moved that the Town vote to establish wage scales as follows:

Tax Collector	\$1,500.00 Annually
Treasurer	1,300.00 Annually
Custodian, Town Hall	530.00 Annually
Moderator	5.00 Hourly
Ballot Clerks	4.25 Hourly
Selectmen	5.00 Hourly
Road Agents	5.00 Hourly
Police Officers	5.00 Hourly
Auditors	5.00 Hourly
Town Clerk	5.00 Hourly
Laborers	4.25 Hourly
Assistant Town Clerk	4.50 Hourly
Supervisors, Check List	4.25 Hourly

The motion was seconded by William Marston. Donald Janvrin made a motion to amend the article to read Tax Collector \$200.00 Annually. There was no second. John Parker moved that the following positions be deleted from Article 4: Moderator, Ballot Clerks, Selectmen, Auditors and

Supervisors, Check List. There was no second. Russell Merrill, Jr. asked to move the article and his motion was seconded by Robert Batchelder. The motion carried and Article 4 was passed.

Article 2 - Budget

William Marston moved that the Town raise and appropriate the sum of \$16,000.00 for Town Officers Salaries. Seconded by Harrison Biggi. The motion passed.

Jerome Healey moved that the Town raise and appropriate the sum of \$8,500.00 for Town Officers' Expenses. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$900.00 for Election Expenses. Seconded by William Marston. Passed. Jerome Healey moved that the Town raise and appropriate the sum of \$6,000.00 for Town Hall Expenses. Seconded by William Marston. Passed. William Marston moved that the Town raise and appropriate the sum of \$300.00 for the Care of the Town Clock. Seconded by Jerome Healey. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$26,000.00 for the Police Department. Seconded by Jerome Healey. Passed.

Robert Woodes moved that the Town raise and appropriate the sum of \$6,000.00 for the Fire Department. Seconded by Frank Ferreira. Daniel DeWitt made a motion to amend the figure to \$6,300.00. There was no second. Mr. Woodes thanked Mr. DeWitt for his thought but said that the fire department had talked it over and had decided that the \$6,000 was adequate. He reported that the equipment was in fine shape and that the department had all the trucks they would need for the next several years. Andrew Drakides said rather than more money the department needed more volunteer workers. The article passed.

Jerome Healey moved that the Town raise and appropriate the sum of \$2,500.00 for Planning and Zoning. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$14,500.00 for Insurance. Seconded by Jerome Healey. Passed.

William Marston moved that the Town raise and appropriate the sum of \$100.00 for Civil Defense. Seconded by Jerome Healey. Passed.

Kenneth Allen moved that the Town raise and appropriate the sum of \$6,500 for Mosquito Control. Seconded by Patricia Courchesne. Passed.

Jerome Healey moved that the Town raise and appropriate the sum of \$4,000.00 for Fuel, Town Vehicles. Seconded by William Marston. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$4,300.00 for Health Department-Ambulance. Seconded by Jerome Healey. Russell Merrill, Jr. asked what ambulance service was required by law and to what extent? Mr. Biggi said there were 3 alternatives for ambulance service. They are: To continue with Hampton if they will have us; to go with EMT which charges \$2.00 per head with unlimited calls and they bill the party directly or to have no coverage at all. Russell Merrill, Jr. moved that the amount be amended to read \$2,150.00. Seconded by Betty Merrill. The amendment did not pass. Mr. Biggi called for the Moderator to get a sense of the meeting as to what course those present would want the Selectmen to follow. The majority of the persons in attendance wished to have the town stay with the Hampton program. The original motion passed.

William Marston moved that the Town raise and appropriate the sum of \$28,500.00 for the Town Dump and Garbage Removal. Seconded by Jerome Healey. Passed.

Jerome Healey moved that the Town raise and appropriate the sum of \$30,000 for Town Road Maintenance (Summer and Winter). Seconded by Harrison Biggi. Passed.

William Marston moved that the Town raise and appropriate the sum of \$1,500.00 for Street Lighting. Seconded by Jerome Healey. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$40,000.00 for General Expenses of Highway Department. Seconded by William Marston. Passed.

Gordon Janvrin moved that the Town raise and appropriate the sum of \$9,725.00 for the Library. Seconded by Robert Batchelder. Passed.

William Marston moved that the Town raise and appropriate the sum of \$1,500.00 for the Town Poor. Seconded by Harrison Biggi. Passed. Jerome Healey moved

that the Town raise and appropriate the sum of \$2,000.00 for Old Age Assistance. Seconded by Frank Ferreira. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$235.00 for Patriotic Purposes - Memorial Day. Seconded by Jerome Healey. Passed.

William Marson moved that the Town raise and appropriate the sum of \$1,500.00 for Parks and Playgrounds. Seconded by Harrison Biggi. Passed.

Jerome Healey moved that the Town raise and appropriate the sum of \$2,000.00 for Cemeteries. Seconded by Harrison Biggi. Passed.

William Marston moved that the Town raise and appropriate the sum of \$8,500.00 for Damages and Legal Expenses. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the Town raise and appropriate the sum of \$3,000.00 for Regional Associations. Seconded by Jerome Healey.

The breakdown of that figure is as follows:

Senior Citizens	\$100.00
Southeast Regional Planning Commission	\$819.00
Hampton Youth Association	\$400.00
Rockingham Child and Family Services	\$167.00

This article was voted upon by ballot at the elections.

Article 5 - Cable Television System

Jerome Healey moved the article as read by the Moderator. Seconded by William Marston. On a hand count the results for passage were Yes 40 and No 34. The Moderator declared the motion carried.

Article 6 - Seacoast Regional Counseling Center

William Marston moved that the Town raise and appropriate the sum of \$1,000.00 for the support of the Seacoast Regional Counseling Center. This figure was \$500.00 over the article as read by the Moderator but was the figure requested by the Seacoast Regional Counseling Center. Seconded by Jerome Healey. The motion did not pass.

Article 7 - Five Per Cent Limit Property Tax & Spending

Frank Ferreira moved that this article be passed over. Seconded by Edward Pevear. Passed.

Article 8 - Town Road Aid

Jerome Healey moved that the Town vote to raise and appropriate the sum of \$433.03 for Town Road Aid; the State to contribute \$2,736.92. Seconded by Harrison Biggi. The motion passed.

Harrison Biggi moved that article be passed as read. Seconded by Frank Ferreira. The motion passed.

Article 10 - Federal, State and Local Grants-In-Aide

William Marston moved that the Town authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State and local and private agencies that would be of benefit to the town. Seconded by Harrison Biggi. The motion passed.

Article 11 - Borrow in Anticipation of Taxes

Jerome Healey moved that the Town vote to give the Selectmen authority to borrow money in anticipation of taxes. Seconded by Frank Ferreira. Passed.

Article 12 - Other Business

A resolution was presented by Frank Ferreira which reads as follows: Whereas Robert Dutton is retiring after eight

years as a member of the Conservation Commission, Be it Resolved that the Town of Hampton Falls, in Town Meeting assembled, extends its thanks to him for his untiring and selfless service.

Gordon Janvrin expressed concern that the new arrangement being discussed for the flag on the Common did not include illumination at night and he felt that the flag should be illuminated out of respect.

Harrison Biggi read a letter from Planning Board Chairman Robert W. Batchelder in which he presented to the Selectmen a signed copy of an up-dated Master Plan adopted at the Planning Board meeting on February 18, 1981. This announcement to be duly recorded in the minutes of the 1981 Town Meeting.

Gordon Janvrin also asked the Selectmen to consider replacing some of the trees on the Town Common and to consider planting a tree in place of the Elm which was removed from the front of the Town Hall.

Jeffrey and Suzanne Breiseth were nominated to be the Hog Reeves for the coming year by the Town Clerk. Seconded by Jerome Healey. Nominations were closed and the Breiseths were declared the winners. They were sworn into office in open meeting by the Town Clerk.

Frank Ferreira made a motion that the meeting be adjourned in the memory of Almon Creighton, a life-long resident who was always ready to serve the Town. Seconded by Ann Ferreira. The motion passed.

The meeting was declared adjourned at 9:25 p.m.

TOWN WARRANT

TOWN BUDGET

of the Town of Hampton Falls, NH

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE THE POLLS WILL BE OPEN FROM 10 A.M. TO 8 P.M.

To the inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday, the Ninth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance, Article II - Section 1 - Division of Town into Districts - by adding:

C. Floodplain Overlay District

(Recommended by the Planning Board)

4. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance, Section 2 - Zoning Map by adding the following paragraph:

The Floodplain overlay District shall be those lands within the One Hundred Year floodplain boundary as set forth in the Flood Insurance Study and the accompanying Flood Insurance Rate Map for the Town of Hampton Falls, New Hampshire, effective April 15, 1982.

(Recommended by the Planning Board)

5. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance Article III by adding:

Section 7 - Floodplain Overlay District

Lands within the Floodplain Overlay District are prone to periodic inundation and are subject to the following restrictions to the development of these:

A. No use of or alteration to such lands or additions to existing structures thereon is permitted, except with respect to agriculture, open recreation or similar non-structural uses

which are otherwise permitted in the applicable zone and the use(s) of which will not impair the Floodplain, increase the hazards of flood heights and/or velocities, impede the flow of waters, or reduce the pooling area of Floodplain.

1. No such land may be filled, excavated or otherwise altered without a permit from the Planning Board.

B. Lands within the District may be used for Public Works activities, such as road crossings and public and private utilities, where such uses or activities do not reduce or impede the flow of water or reduce the pooling area of the Floodplain.

C. No water course location shall be altered within this District.

(Recommended by the Planning Board)

6. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance Article III - Section 3-A - Permitted Use Sub-item 12 - Mobile Homes or Trailers - to read:

Manufactured Housing, Mobile Homes and Trailers, provided these are placed on solid foundations and connected to water, sewer and other utilities and services.

(Recommended by the Planning Board)

7. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance Article III - Section 3-A - Permitted Use - Sub-item 13 - Conversion - to read:

The Zoning Board of Adjustment shall have the authority to grant a special exception to the provision of Sub-item A-1 of this Section for the conversion of a single-family dwelling to two dwelling units, provided the following conditions shall be satisfied:

(a) The owner(s) of the structure to be converted shall occupy one of the units.

(b) The occupant(s) of the second unit shall be related to the owner(s) of the structure by blood or marriage.

(c) Off-street parking shall be available for a minimum of four (4) automobiles.

(d) No accessory building not attached to the dwelling shall be converted into a dwelling unit.

(e) The Zoning Board of Adjustment shall find that the proposed conversion, including any structural changes, shall not be detrimental to the surrounding neighborhood.

Any special exceptions granted under this Section shall terminate and the subject structure shall revert to a single-family dwelling whenever any of the conditions recited in Sub-paragraphs (a) through (e) shall not be complied with.

(Recommended by the Planning Board)

8. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance, Article IV - Section 4 - Trailers and Mobile Homes - by eliminating current Sub-item A and substituting the following:

Manufactured housing, mobile homes and trailers, including all forms of modular, unitized or pre-fabricated housing, which are brought to and assembled on a building site as a permanent residence shall conform to all of the zoning and building regulations of the Town of Hampton Falls.

Also, revise Section Title to read:

Section 4 - Manufactured Housing, Mobile Homes and Trailers

(Recommended by the Planning Board)

9. WARRANT ARTICLE: To see if the Town will vote to amend the Zoning Ordinance, Article X - Definitions - by deleting current definition of Trailer and substituting the following (in alphabetical order):

Manufactured Housing, Mobile Home and Trailer. These terms shall include all forms of modular, unitized or pre-fabricated housing, as well as mobile homes, intended as permanent residence. These terms *do not* include housing structures which are fully constructed on a site or travel trailers, campers, pick-up campers, or any other similar type of vehicle or apparatus.

(Recommended by the Planning Board)

10. WARRANT ARTICLE: To see if the Town will vote to amend the Building Regulations, Section 6 - Structural Requirements - by deleting the current introductory language and substituting the following:

No building or structure shall be placed, erected, altered, rebuilt, remodeled or substantially repaired unless in compliance with the requirements of this Section and the Building Regulations. The Building Inspector or the Board of Selectmen shall have the authority to apply this Section and the Building Regulations to "manufactured housing, mobile homes and trailers" (as defined and permitted by the Zoning Ordinance) in such manner as they shall deem advisable so that

such housing shall, as much as reasonably possible, conform to the provisions of this Section and the Building Regulations. Provided, however, that any such manufactured housing, mobile homes or trailers must conform to the United States Department of Housing and Urban Development (HUD) Mobile Home Construction and Safety Standards Code and be so certified. Evidence of such certification shall be presented to the Building Inspector or the Board of Selectmen upon application for a building permit.

(Recommended by the Planning Board)

11. WARRANT ARTICLE: To see if the Town will vote to adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax. These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a NH resident for at least 5 years; own the real estate individually or jointly or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence.

12. To see if the Town will vote to authorize the Selectmen to sell the Town-owned chipper and the incenerator in accordance with competitive bidding procedures.

13. To see if the Town will vote to raise and appropriate the sum of nine thousand dollars (\$9000.00) to purchase a new police cruiser or in the alternative to raise and appropriate the sum of three thousand four hundred dollars (\$3400.00) for repairs to the current police cruiser.

14. To see if the Town will vote to raise and appropriate the sum of fourteen thousand dollars (\$14,000.00) to renovate the Recycling Center.

15. To see if the Town will vote to raise and appropriate the sum of nine thousand dollars (\$9000.00) for partial removal of the hill at the rear of the Town Hall and complete removal of the sheds.

16. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3000.00) in order to purchase twelve (12) Norway Maples for the Town Common.

17. On petition of Lois B. Perfect and nine other registered voters, to see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1500.00) to insulate the library ceiling and install a gable louver and side vents.

18. To see if the Town will vote to raise and appropriate the sum of four hundred three dollars and forty-two cents (\$403.42) for Town Road Aid; the State to contribute two thousand six hundred eighty-nine dollars and forty-five cents (\$2,689.45).

19. To see if the Town will vote to ratify and confirm and otherwise legalize the actions of the Trustees of the Hampton Falls Free Library which actions have been taken at any time prior to March 12, 1982. (Recommended by Town Counsel as per letter dated February 4, 1982).

20. On petition of Lois B. Perfect and thirteen other registered voters to see if the Town will vote to instruct the Selectmen to list and sell by sealed bids all properties acquired by the Town at Tax Sales.

21. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the support of the Seacoast Regional Counseling Center, Inc.

22. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts herewith or take any other action hereon:

Appropriation	Amount
General Highway - Repaving	\$10,000.00

23. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State and local and private agencies that would be of benefit to the town.

24. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

25. To transact any other business that may legally come before this meeting.

It is planned to adjourn the business session of the Town Meeting until seven o'clock p.m., March 12, 1982 at the Leavitt Brown Gymnasium in the Lincoln Akerman School.

Polls will not close before eight o'clock p.m., March 9,
1982.

THE LIBRARY TRUSTEES' REPORT FOR 1981

During 1981 the trustees met regularly at 7:30 at the library. The meetings are held on the first Tuesday in January and the last Tuesday in April, July and October. These meetings are open to any residents who wish to attend.

The trustees wish to thank the library's staff for their dedication and assistance during the year. Our thanks also go to the "Friends of the Library" who once again contributed generously, materials, books and time. We also express our thanks to the "Grange" for their contributions during the year and to those individuals who donated books and labor.

The porch was painted during the year. Discussions were held regarding energy-saving measures to help reduce the heating expense.

The library is open 15 hours a week and all residents are invited to avail themselves of its facilities.

REPORT OF THE PLANNING BOARD

Gentlemen:

Herewith is a Report concerning the activities of the Hampton Falls Planning Board for the calendar year 1981.

Business Meetings	16
Work Sessions	2
Public Hearings	8
Subdivision Applications	8
Subdivision Applications Approvals	5*
Plans Approvals for Recording only	3**
Public Hearings	
Subdivision Applications	4
Ordinance Amendments	3
Other	3
Meetings with counsel, SENHRPC and others	3
 *Denied	 1
Inactive	1
Not concluded	1
 **Approved	 2
Inactive	1

In addition to the above, the Board:

Completed a redrafting and re-Publication of the Master Plan;

Completed a re-editing and reprinting of the Zoning Ordinance, Building Regulations and Subdivision Regulations;

Held Public Hearings and adopted four amendments to the Subdivision Regulations;

Held a First Public Hearing on Proposed Amendments to the Zoning Ordinance and Building Regulations;

Approved one Home Industry Application;

Provided Growth Plan Information and other data to New Hampshire Department of Banking; and

Provided the Selectmen with a resume of assistance received from the Office of State Planning and Southeastern New Hampshire Regional Planning Commission.

Further, the Chairman (at his own expense) attended meetings on the subjects of Coastal Zone Management and Major Development Planning.

The Board also prepared guidelines as to procedures to be followed by Applicants for Subdivision Approvals.

The Board Membership currently stands at seven, with vacancies for two alternate membership appointments.

The Board of Selectmen is reminded that term expirations in 1982 are:

Robert Batchelder; Jeffrey Breiseth; Forrest Brown; James Hodges; and Janice Jassmond.

At its Meeting on January 21, 1981, the Planning Board was informed by Mr. Biggi that most reappointments will be made for terms of five years. The Board had been prepared to present a resolution supporting three-year term reappointments. In any event, it does suggest reappointments for reasonable terms to develop desirable continuity, but does suggest "staggering" of terms to the extent feasible.

Respectfully submitted,
R. W. Batchelder, Chairman

THE ANNUAL 1981 REPORT OF THE FIRE DEPARTMENT OF HAMPTON FALLS, NH

To the citizens of Hampton Falls:

The Fire Department responded to 65 calls during 1981, and it is encouraging to note only 1 of these was a structure fire.

I would like to express my thanks to the many volunteers for the time donated for training and keeping the equipment and fire station in top shape.

I would also like to thank the Ladies Auxiliary for their hardwork and co-operation in the many fund raising projects during the year. Also thanks to the other organizations, businesses and citizens for their generous donations.

Again thanks to everybody for their support and may 1982 be a safe and successful year.

Respectfully submitted
Robert G. Davies
Fire Chief

ANNUAL POLICE REPORT

During the past year police activity increased in some areas while it decreased in others. One area of that increase was of the number of summonses issued for motor vehicle violations. We put a great deal of time into this aspect of Law Enforcement with the aim of making the highways safer for all concerned. In conjunction with these violations we arrested 18 more people than last year for driving while intoxicated. Enforcement of these laws relative to drunken driving is a major concern as this offense is the major cause of accidents and deaths on our roads. By taking these offenders off the roads, travelling becomes much safer for all. Our effort to increase highway safety will be our prime concern in the future.

Property crimes are the next biggest concern we have. Although we were blessed with fewer burglaries and less vandalism we did show a rise in thefts. As homeowners in Hampton Falls we must take care of our property. We must lock our homes when we leave and be sure not to leave anything in our yards that is an easy target for theft. Your police department has access to some pamphlets that can help protect your home and property. Please feel free to call if you need any assistance.

I wish to thank the members of this department along with the Sheriff's Department, The State Police, and our Fire Department for their help during the past year.

The following listed activities occurred in 1981:

REPORT OF THE CONSERVATION COMMISSION

During the past year, your Conservation Commission has been busy working on the inventory of TOWN owned properties in order to develop a comprehensive management plan.

The New Hampshire Department of Recreational and Economic Development has not completed the proposed management plan for the Town Forest due to state budgetary problems, however, a report is expected in 1982.

The Conservation Commission of the town of Kensington has indicated a strong desire to cooperate in the joint management of the watershed of the Town Forest.

This past year, the Conservation Commission again successfully conducted the town clean-up and wishes to thank all those who participated.

A spring walk on the town forest was conducted and a review of the southerly bounds of the town forest was examined.

The Commission will examine other areas of the town for possible additions to the Town Forest.

We thank you for your cooperation and look forward to your continued support.

REPORT OF THE COMMISSIONERS OF THE SOUTHEASTERN NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

Regional planning lives, even under Reaganomics! But not easily. The purpose, responsibilities and work load of the Commission remained but diminished funding caused layoffs, reduced working hours, space consolidation and no salary increases for the staff in order to balance the budget. Work continued on several fronts, including the coastal energy impact program, historic preservation, transit planning, oil spill management and on many applications from throughout the region for federal funding of projects as well as for dredge and fill proposals. Two more Commission policies were adopted for noise and air pollution.

As in the past, substantial assistance was given to our town's vigorous Planning Board by way of subdivision regulations, soil survey planning, the Master Plan and other matters.

For the most part, much of the Commission's work is supported by various federal grants, with smaller contributions by the state and member towns. Since 1971 we have been able to keep local payments at a per capita rate of 60 cents (for us in FY 1982-1983, \$825). Because of the severe cutbacks, however, in the near future we anticipate the necessity to increase the dues requested of the member towns. We hope you will again find the Commission's expertise to be a worthwhile investment.

Commission meetings are held on the second Thursday of the month at 7:30 PM on a rotating basis in the member towns. We invite all citizens to attend although one is advised to check first the agenda (call us) because some of the meetings are downright dull. We welcome your inquiries about our work. All complaints may be registered with Ms. Pevear.

Fiscal Year: 1980-1981	1979-80
Total Calls: 10,141	10,239
Hampton Falls: 782	797

During fiscal year July 1, 1980 to June 30, 1981, 782 calls were made to residents of Hampton Falls.

Nursing	568
Physical Therapy	82
Aide	132

Of these calls 210 were made free of charge or at a reduced fee. It remains the policy of the Agency that no one is refused service because of inability to pay. Fees are scaled or care is provided on a no-charge basis when necessary.

Currently 14 children are enrolled in our Well Child Clinic. Clinics are held twice a month and are staffed by a Pediatrician and a Pediatric Nurse Practitioner, as well as agency nurses. Children from birth to 6 years of age are seen on a regular schedule for physical examinations, immunizations, blood tests, counseling, developmental testing, vision and hearing screening, urine tests, and lead screening. In addition, children between the ages of 3 and 6 are seen twice a year at our Dental Clinic by Dental Hygienists employed by the state and the children are referred to local dentists for treatment, when necessary, at no cost to the families. Local school nurses send students to our office during the school year so that all students in the school system will be immunized as required by law.

On the second Tuesday of every month, in conjunction with the Grange, we hold a blood pressure screening at the Hampton Falls library. Hampton Falls residents are also welcome to attend our clinics in Seabrook at the Trinity United Parish House, the first Tuesday of each month or following the Senior Citizen meetings the second Thursday of the month at the United Methodist Church in Hampton.

Our staff consists of 5 full time R.N.'s, 5 part time R.N.'s, 1 Physical Therapist, 1 full time Aide, 1 full time Bookkeeper and a part time Typist. We also contract with the Area Homemaker/Home Health Aide Agency which enables us to provide aides and homemakers to local residents when needed.

The Board of Directors has voted to update the population figures this year and to request each town to appropriate \$1.35 per capita. This increase, we feel, will be necessary in order to provide service to those people receiving Welfare who have been affected by the cutbacks in the Medicaid program. The current population figures for Hampton Falls given us from the town office was 1,376.

**ANNUAL REPORT
HAMPTON FALLS
MOSQUITO CONTROL DISTRICT
1981**

Cooperation was the key to continued success as the Hampton Falls - Exeter - Newfields Mosquito Control Project welcomed Stratham to the District in 1981, and overall, recorded the lowest measured mosquito populations since control work began in 1976.

As in past years, our 1981 program involved 3 primary categories of control activities:

1. Spring Freshwater Larvaciding:

This is the first phase of control work each season, and has received increasing emphasis over the past two years. More sophisticated monitoring and species identification techniques have shown that although the saltmarsh mosquito is still the primary pest throughout the entire season, the freshwater species cause a high annoyance factor during the late spring and early summer period. Because Hampton Falls has many wetland areas and because the houses are quite far apart, we have concentrated our efforts along the roads and in areas of relatively high population density.

2. Saltmarsh Larvaciding:

After several years of experience, this procedure has become relatively routine. Here also however, improved monitoring and identification techniques have allowed us to reduce the number of areas that are treated, as well as the frequency of the treatments. This of course reduces our overall costs and is beneficial to the environment.

3. Monitoring and Species Identification:

Monitoring is both necessary and important in any mosquito control program. First, it is required by State Law. Secondly, and more importantly, it allows us to determine which species of mosquitoes breed where, which species bite humans, and which species carry diseases. With this information in hand, we can be very selective as to when and where treatments are applied. Good monitoring has saved the entire district thousands of dollars in both material and labor costs.

Our 1982 program is expected to be similar to 1981's, although the heavy rains and snows of this winter indicate that

there will be lots of standing freshwater in the woods and fields this spring. This could create high mosquito populations early in the season, depending on how wet and warm the spring is. An early, and more extensive freshwater larvaciding program will be our best approach to counteract this anticipated problem. As you can see from our budget request we have been able to hold the line on costs and keep our projected expenditures virtually the same as in 1981. As before your questions and comments are always welcomed, and your continued support is greatly appreciated.

Kenneth D. Allen

ROCKINGHAM CHILD AND FAMILY SERVICES 1981 Fact Sheet

Rockingham Child and Family Services is a private, non-profit agency with programs to promote and preserve wholesome family life. We are a social work agency offering counseling services to families, individuals, and groups concerning family problems.

Since the Agency's birth in January 1976, it has served over 3,506 area residents and provided over 10,765 hours of professional, confidential counseling services. We have a professional staff, with graduate degrees in the relevant fields and many years of working experience.

We have Dr. Rowen Hockstedler, a practicing psychiatrist from Newburyport, Massachusetts, as a consultant to our staff. We maintain professional communication with the Exeter Clinic, Doctors in Private Practice, Juvenile Departments, Probation Departments, School guidance Departments, and many other professionals to further broaden our capacity. Because we are a private agency, we are able to maintain a confidentiality of records.

We have a contract with the State of New Hampshire Division of Welfare under Title XX. This program, entitled - Individual and Family Support, addresses the problem of child abuse, neglect, and exploitation. Each year hundreds of suspected cases of abuse, neglect and exploitation are reported to the New Hampshire Division of Welfare. Once these reports are determined substantiated cases, the families must then be helped to modify their behavior and begin to function in constructive, wholesome ways. The ultimate goal being to enable children to remain in or return to their homes without experiencing the turmoil to which they have been or could be exposed

We have appealed to the County for funds to the extent of \$11,625. This sum is to be applied generally as a match towards a contract with the New Hampshire Division of Welfare for services rendered to them. No one served under this program is included in our request to the Town.

The following information should be clearly understood as these facts are specific to this year's request for funds.

(1) We are asking minimum support from 23 towns, based

on the actual number of service hours given to the residents of each individual town.

(2) Our request is based on a twelve month period, July 1, 1980 through June 30, 1981 inclusive, our fiscal year. NOTE: We are *not* approximating services which the residents of your town may use in the future, but rather we are asking your contribution of a designated amount resulting from services already rendered. These funds will then be used to enable us to continue to provide our services.

(3) During fiscal year 1980-1981 our sliding fee scale ranged from \$5.00 to \$40.00 an hour, per unit of counseling service. We serve anyone in the County who requests help, regardless of their ability to pay.

(4) In determining the figure requested from each town, we first computed the total value of services rendered to the residents of each town. Then, subtracting from the total value figure the total amount we were able to bill said residents according to the ability to pay, we arrived at a deficit figure. In an effort to make our request just as equitable as possible, we are asking for the lesser amount - either the amount billed or the deficit.

(5) We are asking you to help with the cost of services provided to the residents of your town who have all contributed something, but who were unable to pay full fees for our services. We are *not* asking that you absorb total cost of services for residents who have paid nothing, nor are we requesting assistance for individuals who have paid full fees.

(6) Finally, it should be recognized that many of these residents who have or are receiving our services, without the services would have experienced broken homes situations and other unfavorable trauma which no doubt would be costing your town more through welfare and other areas of town responsibility. The dollars given to our agency provide that needed place for a local family to turn in their moment of crisis.

THANK YOU.

**MINUTES - HAMPTON FALLS SCHOOL DISTRICT
ANNUAL MEETING
March 5, 1981**

The meeting was called to order at 7:00 p.m. by Moderator Richard Bohm. The salute to the flag was given by those assembled. The warrant was read by the Moderator and he, then, made the following rules:

1. Once an article taken up in the budget or in the warrant is finished, no further action may be taken on it with the exception of one reconsideration in case of error or misunderstanding.

2. There will be a limit of 2 amendments to any article or any motion or part of a specific article.

3. Any lengthy motion shall be submitted to the Moderator in writing.

4. The chair will recognize first a sponsor of any article or item in the warrant.

Charlyn Brown made a motion that the District vote to allow the Superintendent of Schools, his staff and the Principal of the Lincoln Akerman School to speak or answer questions during this meeting. Seconded by Frank Ferreira. The motion passed.

Article 1 - Continuation of District Meeting

Joyce Supple made a motion that Article 1 be postponed indefinitely. Seconded by Charlyn Brown. The motion passed.

Article 2 - Budget

Charlyn Brown announced that the accounts would be read one by one and this was done by the members of the School Board. Russell P. Merrill, Jr. wanted it to go on record that he feels anything going into the school lunch program should not be born by the taxpayers and that children should pay what lunch costs to prepare.

Charlyn Brown moved the District vote to raise and appropriate the sum of \$546,496.00 for the support of the schools, for the salaries of school officials and agents, and for the payment of statutory obligations of the District. The motion was seconded by Warren Kinsman. The motion passed.

Article 3 - Reports

Charlyn Brown moved the District vote to accept the reports of Agents, Auditors, Committees or Officers chosen as printed in the Annual Report. Seconded by Warren Kinsman. The motion passed.

Article 4 - Other Business

The Moderator called for any other business that might come before the meeting. None was forthcoming.

Frank Ferreira moved that the meeting be adjourned. The motion was seconded by Charlyn Brown. The motion passed.

The Moderator called the meeting adjourned at 7:44 p.m.

SUPERINTENDENT'S REPORT

I hereby submit my annual report to the citizens of Hampton Falls.

As funding schemes change at the federal and state level it becomes more and more apparent that we at the local level will be paying a higher percentage of many of our public services. Also, some programs once public will become part of the private sector. Your School Board members and administrators have worked hard at maintaining the offerings of the Lincoln Akerman School at as reasonable cost to the taxpayers as possible.

I have asked Dr. Anderson, the Assistant Superintendent for Instruction, to bring you up to date on his area of responsibility. Most of the remainder of my reports consists of his comments.

"A teacher affects eternity. He never knows where his influence stops", so said Henry Adams. The curriculum is the road on which the student and the teacher travel. Equally important is how we travel that road. If we only walk instead of fly, we obviously will take longer to achieve our goals; therefore, the Where, the How and the What become important for direction and efficiency.

This is what we have been trying to do in education at SAU 21 and Hampton Falls, not today, not yesterday, but continuously — improve the Where, the How, the What.

How do we know that we are improving? In the last eight years our Iowa Test of Basic Skills scores have risen as high as 35 percentage points. These tests examine achievement in basic skills: vocabulary, reading, spelling, capitalization, punctuation, language usage, map skills, graphs, references, math concepts and problems.

The introduction of the microcomputers three years ago at the high school ushered in a new era of education.

Computer literacy is another important reason for adding a computer to the curriculum. Our jobs and our lives will rely on our understanding of computers. Computers are in the curriculum of the secondary school to stay; thus, it is prudent to prepare elementary school students. Seventy-five percent of jobs in 1985 will involve computers in some way, and people who don't know what they do and how to use them will be at a

disadvantage. We live in a highly automated society. Learning to use computers will soon be as essential as learning to drive a car.

Every workshop for teachers has been over-subscribed. We can't find enough instructors, computers, or room to do all we are requested. You ask, "What do microcomputers do?" They make it possible for the first time, at reasonable cost, to individualize learning at the Where, How, What levels. Given the equipment — hardware and software — the teacher can meet the learning needs of every student. That means 25 students at 25 different levels of learning in 25 different ways all at the same time with one teacher.

For the third year, Lincoln Akerman School will be offering a part-time special class enrichment program for gifted students. The program offers a variety of opportunity in creative enrichment and student initiated independent work projects involving initiative, planning, and originality resulting in personally designed and created products. In addition to enrichment opportunities in the classroom, library, or resource room, students may work with mentors (master craftsmen and other persons noted for their proficiency in given fields) on individual or small group projects. For example, in 1980 students worked with a high school physics teacher, an antique car dealer, a master lampmaker, a retired hydro-electric plant manager, and an electric company manager, among others.

Students have the opportunity to develop competencies to complement, yet move well beyond basic curricula prescriptions in the regular classroom. Specific areas of concentration are independent study, problem solving, planning and development of critical and higher level thinking skills.

Among the projects students in the G/T Program shared with other Lincoln Akerman classmates and parents in 1980 were: a rather sophisticated hydro-electric multi-media presentation; two markedly different original puppet shows, a boomerang lecture-demonstration bound copies of a group automobile project and two play scripts added to the School library holdings; an original game complete with board design, playing cards and game money, tested by a random selection of junior high students, with much success, and many others.

One third grade enrichment tape/slide show complete with original music won a second place in the K-3 division of the New Hampshire Media Festival.

Individuals are engaging in curriculum work constantly to the end that our service to students improves daily. We know we are affecting eternity.

I wish to thank all of you for the assistance and support you have given your school over the past year.

Respectfully submitted,
Richard C. Hamilton, Ed. D.

HAMPTON FALLS SCHOOL DISTRICT LETTER OF TRANSMITTAL

To the Members of the School Board
Hampton Falls School District
Hampton Falls, New Hampshire

We have examined the combined financial statements and the individual fund and account group financial statements of the Hampton Falls School District as of and for the fiscal year ended June 30, 1981, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of account results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the Hampton Falls School District at June 20, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Hampton Falls School District. The information has been subjected to the auditing procedures applied in the examination of the combined, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.
